

GIPPSLAND  VICTORIA

NARKOOJEE

2005 Lily Grace Chardonnay

This wine is vintaged from our younger estate plantings and is named after Harry and Val's first grandchild, Lily Grace Friend. 2005 was an excellent season in Gippsland with temperatures averaging in the mid twenties, producing fruit of optimum flavour. This wine shows the characteristics typical of this vintage: rich with ripe fruit elements over zesty citrus. It represents lovely, fresh drinking now but will mellow and develop greater complexity over the next five years. Excellent with seafood, particularly lobster and crab.
